LEGO LEGENDS OF CHIMA™

THE STORY SO FAR...

Phoenix grab!

I told **Vornon** to bring me a **prize** for my **trophy collection**. And the Vulture brought me Fluminox's son **Flinx**!

Frosty Fight!

I was just about to **turn Flinx into ice** when Laval, Cragger and Tormak suddenly turned up. My Hunters **surrounded** them and I turned Cragger and Laval into **blocks of ice!** Tormak managed to unfreeze them again with a **Fire CHI orb** and they **escaped** with Flinx.

Last-minute escape!

The **Saber-Tooth Tigers nearly caught** Laval and his friends, but a tree was struck by **lightning** and it **blocked the way!** Tormak also managed **to escape** so I came away **empty-handed** again...

THE PHOENIX TRIALS

PART 1

The legendary Phoenix Temple is home to the Phoenix Tribe, who have guarded the precious Fire CHI for thousands of years.

Laval and Cragger have been trying to master the Phoenix trials and prove themselves worthy to use the Fire CHI.

AAAAAAHHHHHH!

But the two warriors are terrible at the different tasks!

We'll never reach the Fire Flower like this! We need wings!

Still falling at the first hurdle? It's easy!
Li'Ella!
How did the big cats manage to pass the test?
I'll give you a tip. Sometimes you have to think differently!

Come on, Cragger, let's have another try.
I've had enough. I'm going back to my swamp.
You can't just give up like that!
Accept it, Laval. Lions and Crocodiles will never be able to fly!

Cragger storms off in a huff...

CHI BONUS 1
How many ice spikes are in this picture?
If King Fluminox had not forbidden the use of aircraft and vehicles in the trials, Cragger would have reached the Fire Flower long ago!
Oops, Cragger crashes into something!
What's that?
Well, well, it's the Crocodile Prince. You're exactly what I need for my new plan!
It's Sir Fangar's Saber-Tooth Walker!

Look!
The Crocodiles have joined forces with Sir Fangar!
But things aren't always what they seem. The truth is that Crooler is only concerned about her brother. Sir Fangar's plan seems to be working.
And will you really free Cragger if my tribe fights alongside yours?
You have my word. Now will you sign the agreement?
I don't know. I still need some time to think.
Don't hesitate for too long, my Crocodile Princess.

THE TRIBE OF THE PHOENIX GUARDS

When Sir Fangar threatened the peace many centuries ago, the Big Cats were saved by the Phoenixes. They show their thanks by serving as palace guards in Phoenix City.

TORMAK

The leader of the Tigers is the closest to King Fluminox. His adopted daughter Li'Ella is his pride and joy, which is why he always keeps an eye on her. He is good at reading the feelings of others.

LI'ELLA

She is tough, smart, and confident. As a Lioness, Li'Ella had to fight hard for her position in the tribe. She thinks there are no other Lions apart from her – until she meets Laval.

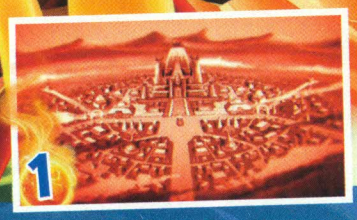
LUNDOR

As the only Leopard in the tribe, he does not have an easy time – everyone makes fun of his spotted coat! However, he is respected for his brilliant memory. He can remember everything!

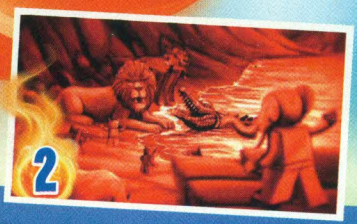
You can cut your page out here!

THE GREAT ILLUMINATION

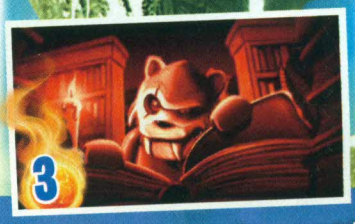
Sir Fangar and the Ice Tribes are not a completely new threat to Chima. They nearly plunged the land into chaos before. Only with the Great Illumination could the Phoenixes save everyone at the last second! On this page, Fluminox tells you exactly what happened.



Cavora has not always floated in the air. Centuries ago, it was the highest mountain in Chima. On its summit stood Phoenix City.



The primitive Animal Tribes lived down in the valley. We invited the animals to attend our schools in order to improve themselves.



One of our best pupils was the young Saber-Tooth Tiger Fangar. He acquired so much knowledge that he wanted to rule over Chima himself.

He and his friends attacked the other animals. We tried to protect as many as we possibly could, but it soon became clear: there was only one way we could stop the Hunters.

Our only chance was the Great Illumination. To do this, the eight Phoenix Elders joined forces.

The Great Illumination transformed Chima back into an unspoilt, peaceful paradise. The animals could once again live without fear of destruction.

Sir Fangar and his tribes had no chance against this. They were hurled into the Gorge of Eternal Depth, where they were frozen in ice.

At the same time, Mount Cavora rose into the sky. Water infused with Illumination Energy now flowed out of the mountain into the valley below.

The Water of Cavora filled the streams and rivers of Chima, and the animals drank the water. And here begins the story as you know it...

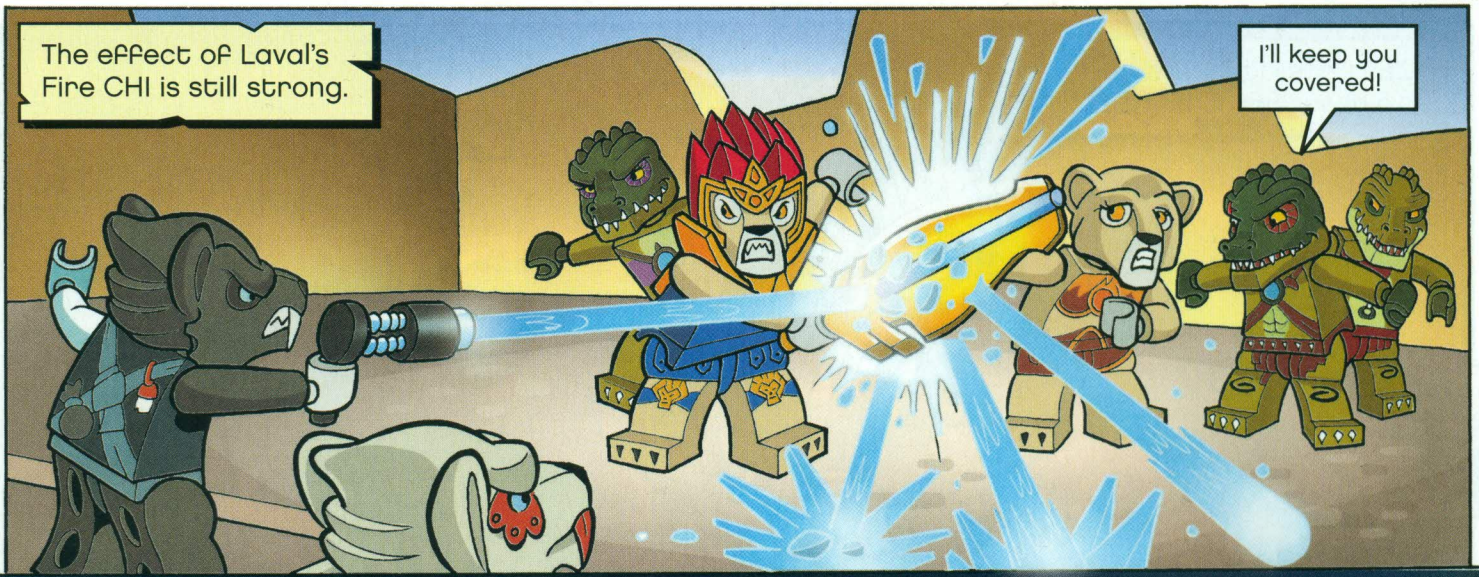
THE PHOENIX TRIALS
PART 2
We must find Cragger before the Crocodiles join the Ice Hunters!
Laval! I'm over here!
That was quick!
Hold on, Cragger.
Don't even try. The bars are made of Spider Steel.
Spider steel? How did the Saber-Tooth Tigers get hold of Spider Steel?
We will find another way to get you out. Wait here for us.
Don't worry. I'm not going anywhere.

The search for a key to Cragger's cell takes Laval and Li'Ella deep into the fortress.
I'm shivering all over. And that's not just because of the cold.
Hey, I look like a Mammoth!
I wonder what's behind this door?
The armoury of the Ice Hunters!
An ice axe. This is sure to destroy the bars on Cragger's cell!
What are you doing here?

I'm going to make a Lion ice-pop out of you!
Laval, catch!
Fortunately, Li'Ella has the Fire CHI orb with her.
Laval feels the almighty force of the Fire CHI!
Is fear making your feathers fall out?
Vardy is a tough fighter, but the Ice Hunter has no chance against a Lion with Fire CHI.
What are you waiting for?
I think we can put these to good use.
CHI BONUS 7
How many feathers did Vardy lose in the fight?

Li'Ella was right. The ice axe destroys Spider Steel!
Come on, let's get out of here.
CHI BONUS 8
How many parts does the bridge have?
Crooler, don't sign! I'm free!



The effect of Laval's Fire CHI is still strong.
I'll keep you covered!

I think we've lost them.

Shortly afterwards, Crooler and the other Crocodiles plan to return home.
Are you coming back to the swamp with us? We could really use you there.
Sorry, Crooler. I still have some unfinished business to attend to.

On the way back to the Phoenix Temple, Laval has revealed his plan to Cragger.
That's a great idea, Laval!
At the beginning of the Phoenix Trials, Laval and Cragger would never have believed that Lions and Crocodiles could one day fly!
Sometimes you just have to think differently!
THE END
